- Become a Signature Member and have your work on our website and in our annual Signature Member Exhibition

Membership Levels

- Individual: \$40 includes all benefits listed above
- Signature: \$60 includes all benefits above plus the PPSCC signature privilege, inclusion in the Signature Members show, and free inclusion on the PPSCC website

Our Mission...

is to create a community of pastel artists, to set standards of excellence through education and to encourage and nurture artists in their professional growth. We strive to educate the public and gallery owners of the permanence, versatility and value of the medium and to offer opportunities for our members to participate in juried shows and exhibitions devoted to pastels. We also hope to establish pastel as a separate category on art exhibitions.

Founded in 1995, The Pastel Painters Society of Cape Cod (PPSCC) provides a welcoming network for over 200 pastel artists, young and old, from near and far, all of whom share an interest in painting in soft pastels, a medium dating back to the 18th century.
